1504. Matters arising:

- a. Pavilion – General Improvements:** The Notice Boards have been completed by Men in Sheds and provided to Kelvin. Although the Notice boards are well made the stained finish is not as good as expected. Kelvin has been in touch with Mark Dickinson and asked him whether he can improve the paint finish. Mark has taken the Notice Boards for re painting.
The timber for both benches has been obtained, treated and is presently in Kelvin's garage awaiting fitting.
- b. Safety at Stainborough Crossroads:** We will monitor the situation at the crossroads following the change to National Trust. The forthcoming Christmas period may increase visitor volumes and we need to check whether parking problems in Stainborough are repeated.
- c. Defibrillators:** We have received confirmation from Tesco that we will be awarded £1,000 under their Bags for Cash Scheme.
The Strafford Arms have run their own Raffle and raised £520 towards the Defibrillators and they have also promised to pay for the installation and electrical work for Stainborough and Hood Green Cabinets. Funds are still being given for this worthy project.
- d. Volunteers:** Kelvin has discussed Clearing and replanting of the West Corners of the Recreation Ground with Adam from Twiggs. Subsequent projects will be scheduled for Spring 2020.
Following the success of the recent Defibrillator fund-raising events our annual Macmillan Coffee morning was reinstated. Despite very poor weather the event was well attended and raised £173 for Macmillan. Thanks to Dot. Susan, Joan, Hazel, Pam and Marie.

1509. Any other business:

a. Micala Marshall returned the tablecloths re-launched and pressed. She was disappointed that she had not been contacted personally when there was a problem and that communication was by a series of notes. Micala has been a regular user of the pavilion and considered that she has always left it in an acceptable condition afterwards.

Notes had been originally used because Micala and Damon were on holiday and this overlapped with the Clerks holiday. We will need to review our procedures for future hires

b. Carol Whitton found the back gates to Wentworth Castle Gardens locked, contrary to the open access for locals promised by Sylvia Ward of National Trust. Kelvin will pass contact details for Sylvia to Carol.

c. A high number of parishioners attended the meeting to complain about the removal of the hedge and trees by the new owners of 2 Castle Drive, Mr and Mrs. Walker.

Although the boundary to the property was left in poor condition by the previous owners it was felt that Mr and Mrs Walker have cut back trees and hedges growing on the border of the recreation ground and belonging to the Parish. The Parish Council had allowed the tree surgeons access through the recreation ground gate but not adequately supervised the work.

Kelvin and Brian have discussed matters with Mr and Mrs Walker, who will reinstate the fence at the edge of their property. Mr & Mrs Walker intend to plant a hedge on the playing field side of the new fencing in keeping with neighbours on either side There are a few small Blackthorne bushes in the South West corner of the Recreation Ground which are surplus to our requirements and can be offered to them for transplanting

d. The Christmas Trees need to be ordered for delivery and erection before 8th December
